Dear Mr. Monroe:

We represent the Stanbee Company, Inc. ("Stanbee") in connection with the Request for Information (the "Request") respecting the Berry's Creek Study Area that was issued to Stanbee by the United States Environmental Protection Agency ("USEPA"). Stanbee received the Request on October 21, 2002. I am writing to confirm that the USEPA has granted Stanbee an additional thirty (30) days through and including December 20, 2002 in which to submit its response to the Request.

We appreciate the USEPA's cooperation with respect to this matter. If you have any questions, please do not hesitate to call me.

Very truly yours,

Paul C. Dritsas
